

THE FRIARS'

BRIAR

Twenty Fifth Anniversary

2003

Chapter 25

Chapter 25

The Winnipeg 2003 Briar: Twenty-Fifth Anniversary

Twenty five years: a brief anniversary history

How pleased would have been our principal founder, Don Amos, now deceased, to have received a copy of the invitation sent out by Fraser Muldrew this spring to attend the Friars' Briar in Winnipeg, marking its twenty-fifth Anniversary!

The Friars' Briar began when Don read in the newspapers about friction between East and West in Canada as illustrated by the Prime Minister's famous quote, "Let the Albertans freeze in their oil!". Don's simple solution for the clergy was to have East and West come together for a bonspiel much like they were doing in the East at five different major centers.

When there was no interest on the part of the Westerners in traveling East for one of those events, Don made arrangements through the late Grant Smith and a few others in the Winnipeg churches' curling club to meet in Winnipeg in the summer of 1977. Out of this meeting arrangements were made to hold a "Conspiel" there at the same time as the Silver Broom World Men's and Women's Championship games were being played at the Winnipeg Arena. April 5-13, 1978. At times other than when the Silver Broom games were on, the clergy would meet to have their own bonspiel and to possibly do some study at United College. There would be a banquet and awarding of prizes, also an East / West game before heading for home. The winner would receive a trophy given by the United Church Observer.

At the closing banquet of this first East / West curling event in Winnipeg, a list of suggestions that might be considered guiding principles for future ones was presented by an ad hoc committee consisting of Gerry Ward, Cliff McMurtry, Andy Danholm and Fraser Muldrew. These met with general acceptance, and a committee from Calgary Clergy Curling Club was asked to make arrangements for another briar on March 1980 at the time of the Macdonald Brier Curling Championships there.

Chapter two of the Friars' Briar Book written by Cliff McMurtry, describes the giant steps that resulted from the creativity and energy of the Calgary Clergy Curling Club:

- The name "**Friars' Briar**" was born out of an off-hand reference by one of Don's fellow press writers;
- the witty **logo**, sketched by Catherine Robbins of Knox United Church in Calgary, was adopted and made into a metal pin;
- an elegant **trophy**, complete with sturdy carrying case, was presented by the Calgary Curling Club;
- a simple **letter head**, created by Jim Taylor was adopted by the fledgling association;

- Continuing Education was removed from the agenda and **fellowship** became important.

Twenty four rinks participated and several spouses were present. Hugh Christmas was central in many of the plans made and executed at this historical event!

Contrary to an initial decision that this East / West meeting of clergy curlers convene every second year, the momentum of each new Briar suggested that we come together every year. And so it has gone, with the exception of 1988, when our attempt to stage a Briar at the site of the Labatt's Briar in Chicoutimi, Quebec had to be cancelled due to lack of registrations, cost and transportation difficulties.

Each year's Briar brought unique changes and enjoyment. The following are some of them:

- In the London 1981 Briar, we were directed to the Ivanhoe Facility that housed both curling ice and motel rooms.
- In 1982, Brandon Briar, we were billeted in homes, watched the Briar in the Keystone Center, and curled our Briar games in the Brandon Curling Club.
- In the 1983 Regina Briar, we watched the Briar games in the Agridome and curled our Briar games in nearby rinks on the exhibition grounds.
- Our 1984 Victoria Briar had games played in three local rinks and the viewing of what became known as "the best bloomin' Briar" in the large Memorial Rink, There were times to sightsee. A game of golf on the Saturday provided a drastic change for frost bitten prairie folk and the weight of wet snow in the East.
- A return trip to Winnipeg was associated with the women's Tournament of Hearts where we had a solid block of tickets. We engaged in a cheering competition between competing rinks. It all made for good "R&R" prior to Easter activities back home. It was here that the first copies of a Friars' Briar Association Constitution became available to the membership (p32-35, Friars' Briar Book) - a labour of love by Hugh Christmas!

And so the adventure continued to Kitchener-Waterloo in 1986, to Edmonton in 1987, to Saskatoon in 1989, back to Winnipeg in 1990 (with trips to Portage La Prairie to see games in the World Junior Championships); to Hamilton in 1991, to Regina again in 1992; to Ottawa in 1993, to Red Deer in 1994; to Winnipeg for the third time in 1995 (with TV viewing of the Halifax Briar Games), to sunny Tsawwassen in 1996 (with TV viewing of nearby Briar games in Kamloops); Calgary revisited in 1997, first in Toronto in 1998, Edmonton again in 1999, to Saskatoon again in 2000, to Kitchener Waterloo again in 2001, to Calgary for the third time in 2002, and back to Winnipeg for the fourth time in 2003.

Winnipeg – Twenty-Five years later

It was timely that the World Curling Championships should be in Winnipeg in the year 2003 for it was in the year of the Silver Broom Championship Curling in Winnipeg in 1978 that the Canadian Clergy Curling Association was begun. Now, twenty five years

later in the same city, the Canadian Curling Friars were celebrating their 25th Anniversary of competitive curling. Recall at that time lusty and sustained calls of encouragement being heard in the Winnipeg Stadium from the clergy reserved section, such as On-tar-i-o, Man-i-to-ba, Sask-at-ch-e-wan, Al-ber-ta, and BC-BC-BC!

The draw and the games begin

Twelve sheets of ice had been reserved at the Assiniboine Memorial Curling Rink in Winnipeg for the 25th Anniversary of Canadian Friar Curling beginning April 7, 2003. Twenty four rinks of curlers confirmed their registrations and picked up information sheets concerning the draws and accommodations that afternoon: two from Ontario; eight from Manitoba; four from Saskatchewan, three from Alberta and five from BC. Fraser Muldrew welcomed the curlers and arranged for a piper to lead them out along both sides of four sheets of ice when poet laureate, Herbert Eriksson held the broom and historian, Cliff McMurtry threw the first rock which was assisted in its course by friars Cameron Reid and Jan Huntjens. The 25th Friars' Briar was now officially begun!

A buffet supper was served at 5 PM and curling in the first draw took place at 6 PM and 8 PM respectively. For purposes of awarding the Heavenly Hosts Shield, Saskatchewan Alberta and British Columbia competed in these games against Manitoba and Ontario rinks. Following the discussion at last year's annual meeting, a new category called "Seniors" was incorporated in the draw to make it more equitable for rinks with combined ages totaling 250 years or more. These played in a separate draw except for those whose scores in the first five round robin games qualified them to qualify for the championship or consolation flights. The Championship Flight was more up of the top six rinks by points (8 points for a win and ¼ point for each game point scored to a maximum of 11), plus the top two rinks by points from the Senior division.

The Consolation Flight included the next six teams by points from the second division plus the next two top rinks from the Senior division. The Seniors Flight was made up of the remaining teams. Playoffs for all flights took place on Friday at 8:30 AM and 11:15 AM.

The banquet and awards

One of the social highlights of each year's Briar event is usually the Thursday night banquet and program. This year was no exception to the tradition set in the twenty four years past. The banquet was held in the social hall of Sturgeon Creek United Church. Curlers and invited guests were met at the door by the Reverend Cliff and Eleanor McMillan of the Winnipeg Clergy Curling Club. Pleasant music greeted their arrival by the "Rockers United" of Westworth United Church, with Ray McClelland playing lead guitar; Martin Robson, lead singer and guitar; Pat Claeys on the keyboard; Tim Stephenson on the drums. A delicious meal was served by caterer Darryl Brock with the assistance of friends of the local friars. June Cowan made the pies and Friar Walter

Cowan cooked the buns. The meal and accompanying program was graciously made possible by the financial assistance of Alderwoods Funeral Home and Cemeteries. Representatives were present to receive our thanks!

Following this meal, Fraser Muldrew took the opportunity to introduce and thank several who had helped with the arrangements to make this year's Friars event a memorable one!

The "Heavenly Host Shield" presented for competition between East and West in the Friars' Briar Championship Clergy Curling Fraternity, won this year by the West, was presented to Friar Alan Grundahl for safe keeping until next year's briar. The "Amazing Grace" or "Wesley Leatherhead Trophy" donated by Ralph Milton of Wood Lake Books, and fashioned by her grandson, was presented for this year's safekeeping to Peggy Lawrence (sister of Ralph Milton) and her husband, Jim, as a tribute to the huge effort they put forward as registrars and local arrangement duties in the staging of our 25th Anniversary Friars' Briar happening this year. Tribute was paid to all the members of the local arrangements committees and to Bob Burton for his "junk art" portraying a sheet of curling ice and curling figures formed from bicycle parts.

Copies of Doug Maxwell's book, Canada Calls: The Illustrated History of Curling in Canada were presented by the 2003 Winnipeg Briars' local Committee for past services rendered to Cliff McMurtry, Fraser Muldrew, Ken Innes, Kutch Imayoshi and Bob Burton. Further numbers were rendered by the Rockers United music group much to the delight of the audience.

The annual meeting

The annual meeting of the Friars' Briar Clergy Curling Association opened with a prayer by president Kutch. The minutes of last year's annual meeting as prepared and circulated by Jan Huntjens were revised and accepted by the membership present. Ken Innes presented an audited copy of the finances of the association up to January 31, 2003.

Kutch Imayoshi presented the following slate of officers and directors designated by the recent directors meeting after consultation with the various provincial friars present at this year's Briar.

Kutch Imayoshi	President
Fraser Muldrew	Past President
David Hunter	Vice President
Ken Innes	Treasurer
Jan Huntjens	Secretary
Cliff McMurtry	Historian
Cameron Reid	British Columbia
Guy Scholz	Alberta
Allan Grundahl	Saskatchewan
Siegfried Wall	Manitoba

David Hunter invited next year's Briar to meet in Saskatoon, the site of the Nokia Briar Championship Games. His suggestion that a website be established publicizing the events of the Friars' Briar association, met with general approval. A notice of motion was presented by Ken Innes, to make the present constitution more precise by changing the words, "a portion of the surplus", to "the entire surplus of each year's Briar" be turned over by the local committee to the Friars' Briar Association. General approval was given to the decision of the board and its implementation by the Winnipeg Committee to establish a "Senior Division" to encourage more competitive curling among the differing age groups. Although some felt that the policy tended to make for less personal contact between the younger and older, it was agreed that the new format be continued next year. A rink whose accumulative age was 250 years and over could enter as a Senior Rink.

Cliff McMurtry, as historian was asked especially for the benefit of newcomers to the Briar, to give a brief recap of the history of the Friars' Briar Association, beginning with Don Amos' first phone call to Grant Smith in Winnipeg in 1977, prior to the first East West games in 1978 to the present. He concluded by naming friars who had died since our last Friars' Briar event and included others named by the friars present in his memorial prayer. The following were recalled by brief personal anecdote and prayer: Wilf Raths, Bary Rasmussen, Carl Ridd, Bill Dick and Isaac Brock.

Friday morning was the time to decide this year's recipients of the gold, silver and bronze medallions by way of semi-final and final games. Indeed the standing of every rink that had entered the 2003 Winnipeg Briar was finally to be inscribed on a very artistic and complicated draw sheet for many, but one that presented no problem for a veteran drawmaster like Fraser Muldrew. To him and his helpers all Friars present were much indebted for the time and energy expended in creating the draw and keeping it updated after each game played.

An Awards luncheon was served by the hard-working caterers of the Assiniboine Memorial Curling Club. There the awards were made. Gold went to the Murray Halvorsen rink which included David Hunter, Jaycen Snider and Stewart Miller. Silver was won by the Guy Sholz rink including Sid Haugen, Dan Eagle and Herb Scholz. Bronze went to the Siegfried Wall rink consisting of Anne Winter, Dave Winter and Teenie Wall. Fourth in the Championship Event was the Dennis Butcher rink including Earl Gould, Don McIntyre and Jim Lawrence. The four top rinks in the Second Event were skipped by David Martin, Harold Hesje, Bill Kiesman and Gary Williams. The top four in the Seniors event were skipped by Fraser Muldrew, Kutch Imayoshi, Alan Grundahl and Bob Burton. Money prizes was the order of the day in Winnipeg with persons of the same standing in each of the three events receiving equal amounts. Others wishing to see record of your name are directed to the alphabetical list of curlers or that of the rinks!

The Winnipeg Clergy Curling Club is to be commended for the money they collected from funeral homes, businesses, individuals and taken from their own limited coffers as a club to make available such generous prizes and travel grants! Out-of-town Friars thank

those in Winnipeg who provided transportation to and from the airport, and between hotels and rinks as requested.

The Friars' Briar 25th Anniversary events will be remembered!

A final note from your historian

Since its inception in Winnipeg in April of 1978, I have maintained an enthusiastic interest in the Canadian Clergy Curling Association. Each year in a chapter of my book I have tried to faithfully relate the details of our annual curling event, the Friars' Briar. It has given me great pleasure and I trust that the participants have found this effort of historical significance. I appreciate the fact that writing something that will please all clergy puts one on "thin ice" and that on many occasions I have "slipped in the hack" in an effort to do so and I apologize.

I have decided that chapter twenty five which describes our anniversary of curling together will be the final one as far as my writing is concerned. Good curling and God's blessings.

Cliff McMurtry
Tsawwassen

Friars' Briar

Winnipeg, Manitoba, 2003

Winnipeg Memorial Curling Club
the site of the Friars' Briar
in April of Two Thousand Three.
There many clergy expect to be
to set the ice on fire.

From East or West the 'Friars' meet
and get the foot in hack
to slide the rocks to reach the rings
and heed the skip as "SWEEP" he sings.
"Get your broom out of the rack".

'Tis a jolly time we all enjoy
wherever we play or talk,
as rocks are directed left or right
and swept to reach the desired 'bite',
or take out the opponent's rock.

You may have a chance to see Ford World,
their championship there in play:
professional curling at its best,
while you have a break, and take a rest
from a Friar curling day.

There's a banquet on Thursday to celebrate
and prizes for all who curl.
The medals, Bronze, Silver and Gold
will go to the best, whether young or old.
For them the flag will unfurl.

Our thanks to God and the Winnipeg hosts
who make the Friars' Briar
Two Thousand and Three, a real success.
Whether you win there, more or less,
God Bless you and raise you higher.

Herbert F.D. Eriksson

Words of Welcome

by local Chair: Fraser Muldrew
